

My CLCOW Friends,

March 2018

We have just had our second practice for our winter series. I would like to thank all those that helped set up, run the practice and tear down. And of course all the great people that rode in the practice and all the great sorters that showed up to sort with good horses. Even though our sorting numbers were low, we really enjoyed putting on a modified sorting clinic for you. Thank you for staying and participating in the mini clinic. It was a lot of fun teaching it! The cattle were good and the ground was drug after each herd. I enjoyed seeing everyone and watching so many of my friends and good horses practice. We had a few new members that came and rode and also helped to keep things going at this practice. Thank you so much. Those that came to watch, thank you. It's always nice to have support from friends and family. Hope everyone felt the friendship we have for you ALL.

We are working hard to keep our Club a fun and happy place to show horses. We are looking forward to the beginning of our show season, April 21st. Cutting starts at 9 AM. Make sure you submit your entries before Wednesday, April 18th, no later than 9 PM. Please come and have more fun with all our members, new and old.

Each show will have something special to offer. Come join the fun, laugh a little, smile a little and enjoy your horses.

All information is posted on the Cuttin Loose Club of Washington website for our 2018 show season along with the Rule Book and other important information. To find our website, go to www.clcow.com

Feel free to contact me at 253 820 2437 with any questions.

See you next month for more good times.

Gayle Wilkinson
